

# ***2017 Wednesday Event Formats***

## **Two Man Scramble**

Each player tees off, the best tee shot is selected and all players play their second shots from that spot. The best second shot is determined, and then all play their third shots from that spot, and so on until the ball is holed. Team handicap is calculated by adding together 35% of the "A" player's and 15% of the "B" player's handicaps.

## **Two Man Best Ball**

Each player plays their own ball. The team score is the lowest Net score on the hole. Each team member receives their full handicap.

## **Two Man Total Score**

Each player plays their own ball. The team score is the total of these two net scores. Each team member receives their full handicap.

## **Two Man Shamble**

Both players tee off. Select the best tee shot of the Two. Each team member will play his own ball from this point forward. The team total will be the total of these two scores. Team handicap is calculated by taking 60% of the sum of the two players' handicaps.

## **Two Man Tri-Play**

Holes 1-6 are Two Man Scramble. Holes 7-12 are Two Man Best Ball. Holes 13-18 are Alternate Shot - At the start of each hole both players ("A" & "B") hit tee shots: The team decides which is the best shot to play, if "A's" shot is selected then "A" sits and "B" plays and vice versa. The team alternates shots from this point until the ball is holed out. Team handicap is calculated by adding together 35% of the "A" players and 15% of the "B" player's handicaps.

## **Four Man Scramble**

Each player tees off, the best tee shot is selected and all players play their second shots from that spot. The best second shot is determined, and then all play their third shots from that spot, and so on until the ball is holed. Team handicap is calculated by adding together 20% of the "A" player's, 15% of the "B" player's, 10% of the "C" player's and 5% of the "D" player's handicaps.

## **Four Man Texas Scramble**

Each player tees off, the best tee shot is selected and all players play their second shots from that spot. The best second shot is determined, and then all play their third shots from that spot, and so on until the ball is holed. Each team members drive must be used a minimum of 3 times. Team handicap is calculated by adding together 20% of the "A" player's, 15% of the "B" player's, 10% of the "C" player's and 5% of the "D" player's handicaps.

## **Four Man Shamble**

All four players tee off. Select the best tee shot of the four. Each team member will play his own ball from this point forward. The team total will be the total of these four scores. Team handicap is calculated by taking 40% of the sum of the four players' handicaps.

## **Four Man Bumble**

On each hole, 1 player will play his own ball the other 3 players will play scramble. The team score will be the total of these two scores. Next to each player's name on the scorecard are the holes they will play alone. The team total will be the total of these two scores. Team handicap is calculated by taking 30% of the sum of the four players' handicaps.
